The grid is a 60x60 coordinate system with columns labeled 0-60 and rows labeled 0-60. Handwritten annotations include:

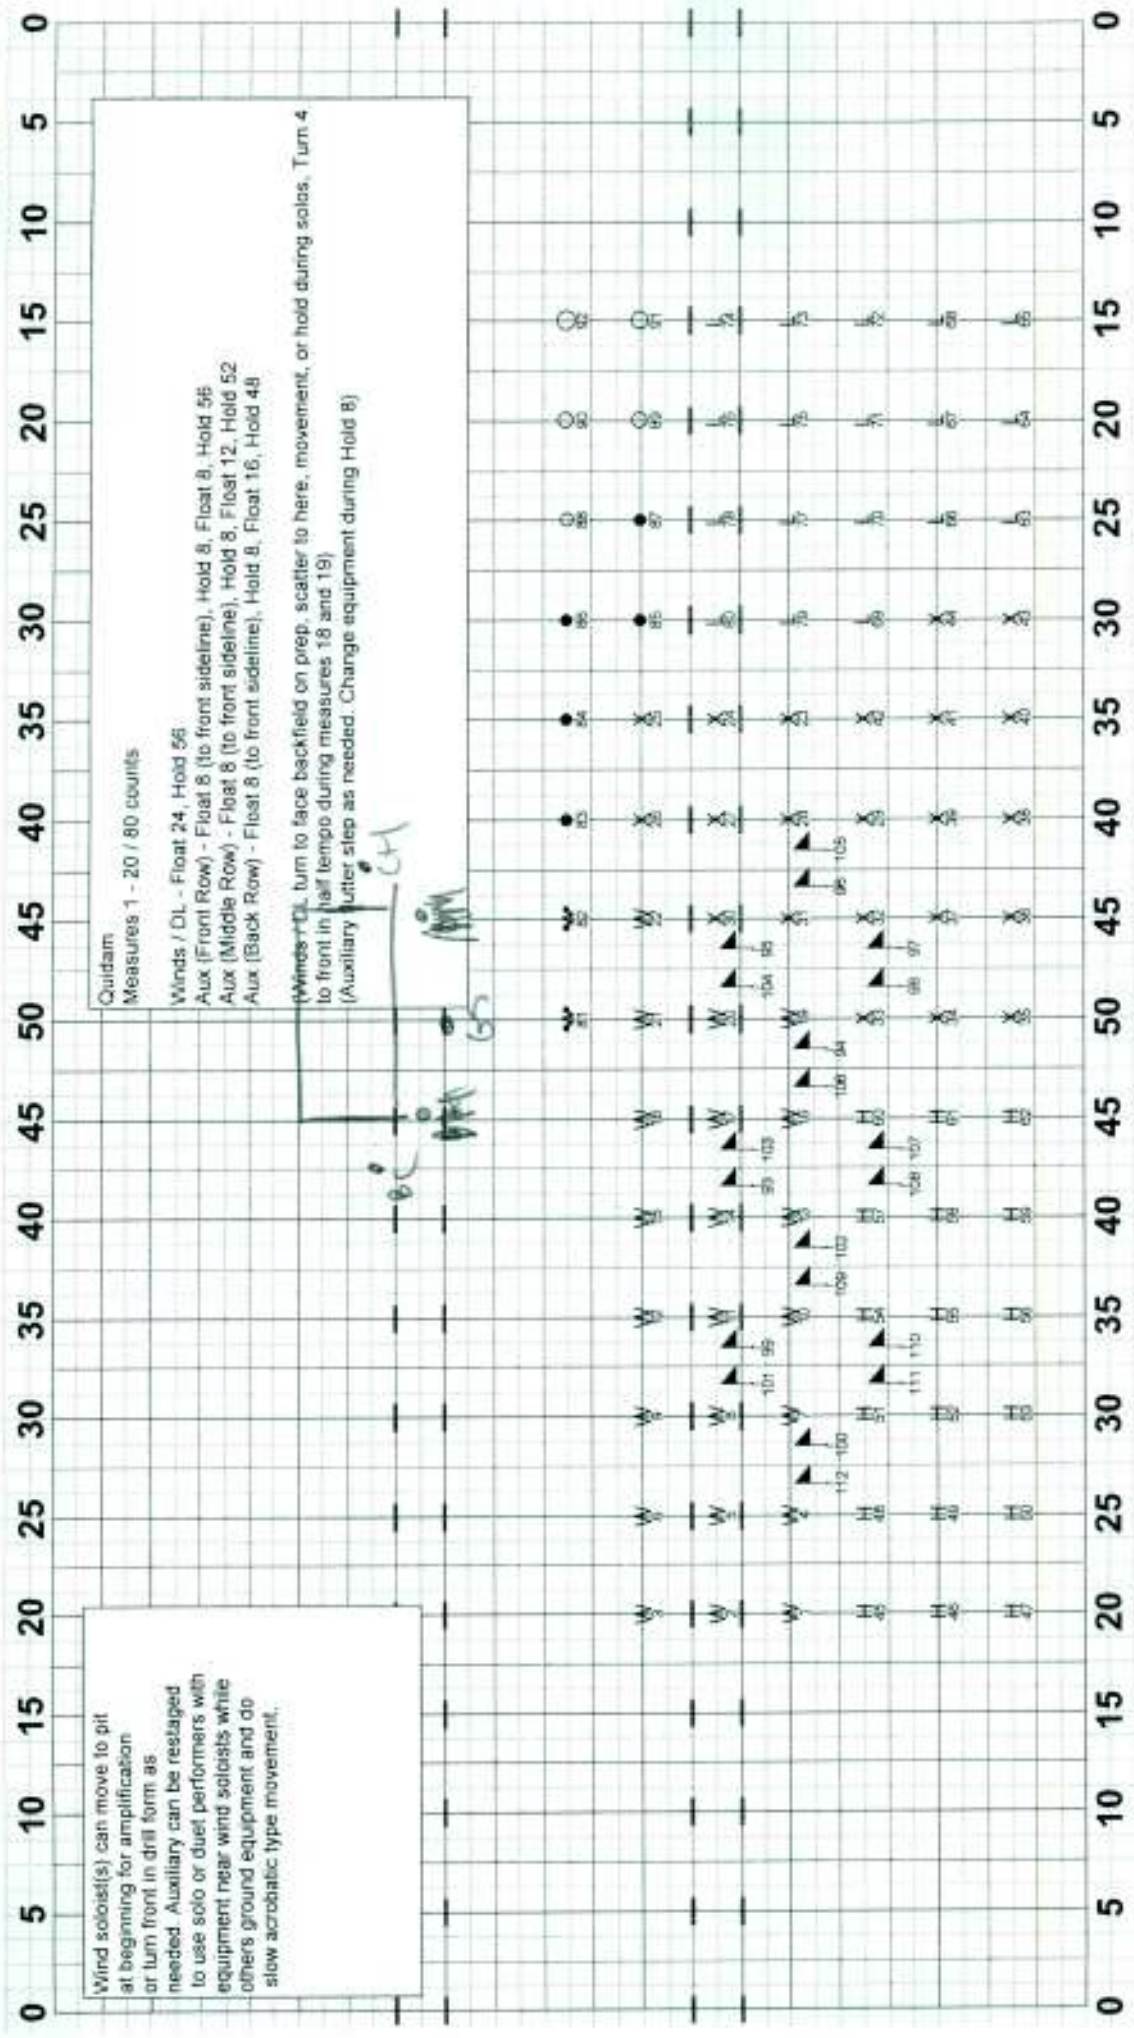

- At (45, 45): A square with vertices at (45, 45), (50, 45), (50, 50), and (45, 50). Inside the square is a circle with a dot at (47.5, 47.5). The letters "CH" are written at (45, 45) and "G" at (47.5, 47.5).
- At (45, 50): A circle with a dot at (45, 50) and the letters "MM" written below it.
- At (45, 55): A circle with a dot at (45, 55) and the letters "MM" written below it.
- At (45, 60): A circle with a dot at (45, 60) and the letters "MM" written below it.
- At (40, 40): A circle with a dot at (40, 40) and the letters "MM" written below it.
- At (40, 45): A circle with a dot at (40, 45) and the letters "MM" written below it.
- At (40, 50): A circle with a dot at (40, 50) and the letters "MM" written below it.
- At (40, 55): A circle with a dot at (40, 55) and the letters "MM" written below it.
- At (40, 60): A circle with a dot at (40, 60) and the letters "MM" written below it.
- At (35, 40): A circle with a dot at (35, 40) and the letters "MM" written below it.
- At (35, 45): A circle with a dot at (35, 45) and the letters "MM" written below it.
- At (35, 50): A circle with a dot at (35, 50) and the letters "MM" written below it.
- At (35, 55): A circle with a dot at (35, 55) and the letters "MM" written below it.
- At (35, 60): A circle with a dot at (35, 60) and the letters "MM" written below it.
- At (30, 40): A circle with a dot at (30, 40) and the letters "MM" written below it.
- At (30, 45): A circle with a dot at (30, 45) and the letters "MM" written below it.
- At (30, 50): A circle with a dot at (30, 50) and the letters "MM" written below it.
- At (30, 55): A circle with a dot at (30, 55) and the letters "MM" written below it.
- At (30, 60): A circle with a dot at (30, 60) and the letters "MM" written below it.
- At (25, 40): A circle with a dot at (25, 40) and the letters "MM" written below it.
- At (25, 45): A circle with a dot at (25, 45) and the letters "MM" written below it.
- At (25, 50): A circle with a dot at (25, 50) and the letters "MM" written below it.
- At (25, 55): A circle with a dot at (25, 55) and the letters "MM" written below it.
- At (25, 60): A circle with a dot at (25, 55) and the letters "MM" written below it.
- At (20, 40): A circle with a dot at (20, 40) and the letters "MM" written below it.
- At (20, 45): A circle with a dot at (20, 45) and the letters "MM" written below it.
- At (20, 50): A circle with a dot at (20, 50) and the letters "MM" written below it.
- At (20, 55): A circle with a dot at (20, 55) and the letters "MM" written below it.
- At (20, 60): A circle with a dot at (20, 55) and the letters "MM" written below it.
- At (15, 40): A circle with a dot at (15, 40) and the letters "MM" written below it.
- At (15, 45): A circle with a dot at (15, 45) and the letters "MM" written below it.
- At (15, 50): A circle with a dot at (15, 50) and the letters "MM" written below it.
- At (15, 55): A circle with a dot at (15, 55) and the letters "MM" written below it.
- At (15, 60): A circle with a dot at (15, 55) and the letters "MM" written below it.
- At (10, 40): A circle with a dot at (10, 40) and the letters "MM" written below it.
- At (10, 45): A circle with a dot at (10, 45) and the letters "MM" written below it.
- At (10, 50): A circle with a dot at (10, 50) and the letters "MM" written below it.
- At (10, 55): A circle with a dot at (10, 55) and the letters "MM" written below it.
- At (10, 60): A circle with a dot at (10, 55) and the letters "MM" written below it.
- At (5, 40): A circle with a dot at (5, 40) and the letters "MM" written below it.
- At (5, 45): A circle with a dot at (5, 45) and the letters "MM" written below it.
- At (5, 50): A circle with a dot at (5, 50) and the letters "MM" written below it.
- At (5, 55): A circle with a dot at (5, 55) and the letters "MM" written below it.
- At (5, 60): A circle with a dot at (5, 55) and the letters "MM" written below it.
